

- Debasish Sarkar, Bhimavarapu Sambhi Reddy, Sourav Mandal and Bikramjit Basu, [Patient-specific near-net shaped uniaxially pressed ceramic femoral head and acetabular socket and fabrication method thereof](#); Indian patent filed in 2016. (File No.: 201641004257/[WO2017134614A1](#)).
- Srimanta Barui, Vibha Shetty, Deepa Mishra, Bikramjit Basu, Dental implant assembly with hybrid threads for better primary stability, Indian patent filed in 2020 (File No.: 201841032295) and PCT ([PCT/IB2020/051724](#)). [Trial Manufacturing license transferred to Arka Medical Devices Pvt. Ltd., Bangalore]
- Srimanta Barui and Bikramjit Basu; In situ polymerizable binder system for three-dimensional powder printing and process thereof; Indian Patent granted in 2019 (File No.: 201741014912)
- C. Nayak, Ariharan S., S. Singh, Kantesh Balani, "A Process For Sterilisation Of Ultra-High Molecular Weight Polyethylene And Its Nanocomposites" (Application no. 202111003442) full patent filed with the Indian Patent Office on Dec. 08, 2021. (Provisional patent was earlier filed on January 25, 2021).
